Suzuki Talent Education Program
Play-a-Thon 2011 Pledge Form

On October 16th, I will be joining my classmates from the Suzuki Talent Education Program (STEP) to play through every piece I know – in a row! The Play-a-Thon is an annual fundraising tradition at STEP – by pledging today, you'll be contributing to the program and to my family's fundraising account, which will help us attend STEP's summer camp and other special events.

Here's how it works: this form asks you to pledge an amount for each piece I want to play. After the Play-a-Thon, I'll come back and show you how many pieces I played, and collect your donation. We accept cash or cheque (made out to "STEP").

At the Play-A-Thon, I will play up to: (*Note to parents: each Twinkle counts as a separate piece!*)	**How many pieces is *that?***	**I did it!**
